## PLAYER MOTIVATION

Character development is a key feature in the game. Trying to unlock new, more useful and more spectacular skills, attacks and abilities. New equipment and weapons are available, increasing the character's power greatly.

The exploration of the world is compelling and sometimes even scary as the character traverses the world Possessed by a demon. The internal struggle between the good knight and the evil demon makes for interesting moments as well. The plethora of achievements and bonuses available will make the game difficult to stop playing.

## THE GENRE

An Action Adventure that focuses on spectacular special effects and gratifying combat situations.

## TARGET AUDIENCE

17+ with no upper ceiling. 17+ is slated due to anticipated age certification on the game.

The kind of player that will buy this game will in all likelihood enjoy Action games, Adventure games and perhaps Roleplaying games and have an interest in fantasy and/or the supernatural.

## MULTI PLAYER FEATURES

None. The game is not anticipated to have any multiplayer functionality, being at its heart a single player Action Adventure game.

## ACHIEVEMENTS

A set of 50 unlockable non-physical (i.e. the character cannot touch them) religious artefacts (of a fictional in-game religion) each of which enhances some aspect of the player-character.

These enhancements are not essential to the completion of the game, but certainly help, should the player acquire them.
